Who says college
is just for grown-ups?

Para ayuda en Español, llame: 781-593-6722 x6261

Did you know there are many benefits to involving your child in educational, extracurricular activities? Here are just a few ...

- Getting involved in diverse interests gives students a broader view of life.
- Raises self esteem.
- Creates new friendships with kids from other communities.
- Looks great on a resume someday, and when applying for school scholarships, and community awards.

Plus it's fun!

Don't Be Left Out in The Cold This February!

Your child will be warm, safe, can have up to three hours of fun, learn lots of skills with caring, enthusiastic instructors, and make new friends from all across the North Shore! See what's new and join us.

Entering grades

K-5

Dates

February 4 – March 10, 2012

Five Saturday morning sessions.

Note: No class will be held on Saturday, February 18 due to school vacations.

Times

Session I: 9:00 – 10:30 AM

Session II: 10:40 AM – 12:10 PM

Morning classes are arranged so that you may register for two consecutively.

Locations

NSCC Danvers, 1 Ferncroft Road
www.northshore.edu/directions

Tuition

\$99 per course. Some classes indicate a materials fee to be paid to the instructor on the first day of class.

Registration deadline

Friday, January 27, 2012

Please register early. It may make the very difference of whether or not the class is offered. After that date, it is on a first-come, first-served basis.

Session II:

Time: 10:40 AM-12:10 PM
Course Code: CSH161 BDB CRN: 17478

Classes for Kids in Grades 3-5

Session I: 9:00-10:30 AM

A Spoonful of this, A Spoonful of That – Lesson 1

Make some of the yummiest recipes while learning how to measure! Have fun learning about cups, pints, and ounces while you make the best smoothie in town. Dry ingredients may measure differently, but boy can they make the best snack mix! What better way to learn about a circumference than to make a pizza? Each week will give you a new skill and great recipes.

Entering Grades: 3-5
Instructor: Rochelle Cooper
Materials Fee: \$15
Course Code: CSH426 ADB CRN: 17420

Become A Young “STAR!”

The entire world's a stage and you can be on it as you rise and become a “Young-Star!” Learn all the rules of acting, from props and casting to stage production and improvisation, ending with a Last Day Performance!

Entering Grades: 3-5
Instructor: Jape Payette
Course Code: CSH492 ADB CRN: 17413

Create Your Own Cartoons

Instead of watching cartoons on Saturday morning, learn techniques to create your own. Explore some really cool practices that make it easy to draw cartoon characters. We will concentrate on capturing facial expressions, drawing

action figures, writing letters in bubbles and illustrating perspective and space. Invent a character and develop a story line for a comic book that will be taken home and treasured.

Entering Grades: 3-5

Instructor: Julie Fine

Materials Fee: \$5

Course Code: CSH260 ADB CRN: 16136

Extreme Hula Hooping!

Hey, this isn't the kind of hula hooping your mom use to do! HOOPing is an exciting and FUN new sport that takes hooping to a whole new level. Starting with the basics, you will learn some impressive tricks, play group games, and "HOOP" to some great music! And while you are at it, you will make your own custom HOOP to take home and practice!

Entering Grades: 3-5

Instructor: Heidi Delisle

Materials Fee: \$15

Course Code: CSH395 ADB CRN: 15248

Fun With Water Colors

"Glazing, Wet On Wet, Splattering and Sponging" are just some of the techniques you will learn about using the magical medium of watercolors. By the end of the fifth week, you will have created your own masterpieces!

Entering Grades: 3-5

Instructor: Robyn Steinberger

Materials Fee: \$10

Course Code: CSH476 ADB CRN: 16700

Multi "Art-Tivities"

If you like to make all kinds of arts and crafts, try "Art-Tivities!" Work with rocks and sand to make a paperweight or make a pen and pencil holder, bookmark, or 3-D flowers. This is just the beginning of what you may create.

Entering Grades: 3-5

Instructor: Angela Deluca

Materials Fee: \$15

Course Code: CSH404 ADB CRN: 15704

Robotics – I Can Build What?

Want to know how robots really work? R2D2 needs a friend and you can help build it. Use Lego Mindstorms NXT Robotics kits, Bluetooth wireless technology, and problem-solving skills to program the robot to perform a range of tasks.

Entering Grades: 3-5

Instructor: John LeBlanc

Course Code: CSH392 ADB CRN: 15671

Scrapbooking ... Capturing Your Happy Memories

Bring your favorite photos of family and friends, parties, vacations, and more and learn how to create one of kind scrapbooks. Use all kinds of fun paper punches, beautiful ribbons, buttons, stickers, and cut outs to turn your photos into lifelong memories.

Entering Grades: 3-5

Instructor: Maria Solimini

Materials Fee: \$20

Course Code: CSH429 ADB CRN: 16139

Young Engineer – Let's Build a Wall and more ...

Do you like to design and build things? Are you always wondering how that building doesn't tip over or how that wall stands up? This course will show you how the Great Wall of China was one of the world's greatest engineering feats and then you will learn how to build your own wall and other engineering challenges!

Entering Grades: 3-5

Instructor: Linda Cignetti

Materials Fee: \$10

Course Code: CSH348 ADB CRN: 13416

Classes for Kids in Grades 3-5

Session II: 10:40 AM-12:10 PM

A Spoonful of this, A Spoonful of That – Lesson 1

Make some of the yummiest recipes while learning how to measure! Have fun learning about cups, pints, and ounces while you make the best smoothie in town. Dry ingredients may measure differently, but boy can they make the best snack mix! What better way to learn about a circumference than to make a pizza? Each week will give you a new skill and great recipes.

Entering Grades: 3-5

Instructor: Rochelle Cooper

Materials Fee: \$15

Course Code: CSH426 BDB CRN: 17388

Camping 101

Join self proclaimed "camping extraordinaire" Erik McCarthy as he takes you on a five week adventure into the world of camping. Once you take this class, you will never want to sleep inside again! Pitch a tent, make a campfire, tie knots, learn to read maps and a compass, mix up some great trail mix and more!

Entering Grades: 3-5

Instructor: Erik McCarthy

Materials Fee: \$10

Course Code: CSH436 ADB CRN: 17391

Create Your Own Cartoons

Instead of watching cartoons on Saturday morning, learn techniques for creating your own. Explore some really cool techniques that make it easy to draw cartoon characters. Concentrate on capturing facial expressions, drawing action figures, writing letters in bubbles and illustrating perspective and space. Invent a character and develop a story line for a comic book that will be taken home and treasured.
